Dune Messiah is a novel to remember for a long time. It is complete in every possible way, which you normally expect that how a classic science fiction novel should be like. This is all thanks to its writer, Frank Herbert, who has been phenomenal throughout this novel, especially with his creativity and

#### **Frank Herbert**

Dune Messiah is the sequel to Frank Herbert's masterpiece, Dune. As is often the case, it does not live up to the high standard of the first installment, but it is still pretty good. First off: if you haven't read/listened to Dune, ignore this book until you've done that.
