First impressions form a filter through which people think of how you must be and how you'll act all the time. It is normal. People believe they are good judges of character. There are several errors that arise in this filtering process.

FIRST IMPRESSIONS: WHAT YOU DON'T KNOW ABOUT

File Type PDF First Impressions What You Dont Know About How Others See Ann Demarais

HOW OTHERS ...

First impressions matter – a lot! You only get one shot to make a first impression. While the studies don't agree on one specific number – they all agree that you have less than 30 seconds to impress someone. Some studies even state that you have only seven seconds before someone makes a judgement.

How To Make A Great First Impression - Forbes

The problem is that few of us are Einsteins and we often don't get the chance to rectify a negative first impression. If what others think of you matters, then pay attention to how others see ...

The Power of First Impressions | Psychology Today

"You don't get a second chance to make a first impression," says James Uleman, PhD, a psychology professor at New York University and researcher on impression management. "In spite of the congeniality of many professional gatherings, judgments are being made and impressions formed all the time."

First impressions count - American Psychological Association

Yes, making a good first impression does mean you need to "fit in" to some degree. But it doesn't mean losing yourself or pretending to be someone you're not. The best way to create a good impression is by being your authentic self.
